

Thank you, Rick Nicholson

In the scriptures there is a story told by Jesus about a man who had been faithful in taking care of the affairs of another person. Jesus says the man said to his servant: "*Well done, good and faithful servant...*". That can be said about another man. His name is Rick Nicholson. For the last twelve years, Rick has been faithful in taking care of the business of PVCS. Rick is employed as a Research Analyst for Senate, Finance Ways and Means Committee, for the State of Tennessee. He is a member of Good Springs Free Will Baptist Church. Rick has the distinction of being a graduate of Pleasant View Christian School. As a member of the Board of Directors, Rick has served as its President. When it came time this year for members of the Board to be re-elected, Rick decided it was time for him to step down. While many of us tried to convince him to stay on, he stood true to his decision. Personally, it has been an honor to work with him. I can assure you, he will be missed!
